

EHC Global Expands Local Presence in Eastern Europe with New Distributor in the Russian Federation

April 18, 2016 (Oshawa, Canada) — EHC Global (EHC), a leading manufacturer of escalator and elevator components, is pleased to announce that it has expanded its local presence in Eastern Europe with the appointment of MyZiP as its authorized handrail distributor and service provider in the Russian Federation. Based in Moscow, MyZiP will service the growing need for new and replacement escalator and moving walk handrail solutions within the transportation, retail, commercial and other key market segments.

“EHC is committed to expanding its global sales, service and supply chain network to meet the immediate and longer-term needs of key markets,” said Jenö Eppel, President of EHC. “Our Central Region operations continue to experience significant growth in its core businesses and as well as its field operations department throughout Europe, the Middle East and Africa. Expanding our local footprint in Russia is an integral part of our overall growth strategy.”

“We are delighted to be representing the EHC Global brand and comprehensive suite of handrail solutions in the Russian Federation,” said Alexander Rodenkov, Chief Executive Officer of MyZiP. “MyZiP’s experienced and professional team is strategically positioned to provide the highest levels of quality, reliability and customer satisfaction that EHC customers worldwide have come to expect.”
