

Fourways Airconditioning is expanding – yet again!

The secret of Fourways Airconditioning's success ever since we started over 15 years ago has always been – ***we sell service!*** And 'service' in our view means 'being close to our customers'. That's why we're not only situated in metropolitan areas such as Durban, P.E., Cape Town, George and Bloemfontein, but also in Pretoria as well as in Johannesburg.

Now, with our sales continuing to grow ever more strongly, we have decided to expand yet again – this time to Somerset West, which was formerly serviced from Cape Town. This means that our customers from areas like Strand, Gordons Bay, Grabouw, Paarl, Worcester, Blackheath and even Stellenbosch won't have to travel 60 or more kilometres each time they want to pick up stock from Fourways. We'll have warehousing right on the spot for them.

One-Stop-Shop!

What's even more exciting is that now **both** our Cape Town and Helderberg warehouses will have all your one-stop-items on hand. Items that will be available include copper piping, brackets, insulation, trunking, electrical conduit, gas and complete installation kits to allow an even more convenient solution to all our dealers. A one-stop-solution right on our doorstep!

Open for trade!

Our new Helderberg branch officially started trade on the 3rd of May. We are located at 7 Crompton road, Gants Plaza, Strand and our telephone number is 021 854 5233. We held our official grand opening and ribbon cutting ceremony on the 6th May and a few of our dealers were invited to join us on the day for a delicious breakfast and celebration.
