**Trade Registration Open For Africa's Premier Aerospace And Defence Exhibition Aad2016**

Trade visitor registration for the fast approaching Africa Aerospace and Defence (AAD) Exhibition and Air show is now open. AAD 2016 takes place from 14th -18th September 2016 at the Air Force Base Waterkloof, Pretoria.

Prospective visitors are invited to visit the website [www.aadexpo.co.za](http://www.aadexpo.co.za) to apply. The organisers encourage all visitors to register as early as possible to avoid disappointment, as great numbers are expected at this year's show. Furthermore, no person will be permitted to enter the venue without a valid access badge. The five-day event will commence with three days of business to business engagements, while the general public will be allowed to purchase tickets for the weekend.

It is through events like AAD that established defence companies shape the future of the industry, and participate in a platform for cross pollination of innovation and new Defence technologies.

The last two days, are earmarked to stage air demonstrations of an international standard. Ticket sales for the public air show days are also now available at Computicket.
