

Decision Inc. proud partner of the Qlik Southern Africa Summit 2017

Decision Inc., a management and technology consulting organisation, is one of the largest Qlik partners in South Africa. Qlik implementations focus on driving value, and support strategic and operational initiatives through process improvement, technology innovation and talent enablement. The Qlik Summit is aimed at promoting knowledge sharing that enables connecting, learning and collaborating on the Qlik technology platform.

"The event is designed to provide attendees with insight into visual analytics and how it can be used to uncover hidden relationships, unlock insight and provide significant business benefits," says Nick Bell, CEO, Decision Inc. "Some of our clients will be presenting valuable case studies at the event - we know the value of analytics and we know how to harness its potential to deliver sustainable business success."

The event will be taking place on 02 February 2017 at the Sandton Convention Centre. In addition to talks, tailored break-away tracks and awards, the event includes plenty of opportunity for attendees to network and meet with experts and industry leaders. Decision Inc. will be hosting a stand at the event for those interested in finding out more about the power of analytics for their business.
