

## 9th Pmr Golden Award For Ocon Brick

Ocon Brick, part of the Infrastructure Specialist Group of companies (ISG), won their ninth consecutive PMR Golden Arrow Award within the Suppliers of Bricks and Formwork/Scaffolding category at a ceremony hosted by PMR.africa in Johannesburg in May 2017.

“We are very pleased to have won this ninth PMR Golden Arrow Award it is a reflection of our commitment to supplying a quality product to the construction industry as well as recognition of our technical expertise and service from our customers. I believe it is the continuous reviewing of our manufacturing processes and our due diligence that enables us to continue to offer this professional service” said Mariana Lamont, Regional Sales Manager for Ocon Brick.

“The team at Ocon Brick, is a very proud team. They pride themselves on their work ethic and meeting their customer’s exact requirements. This ninth PMR Golden Arrow Award is testament to the efforts of the Ocon Brick team” concluded Lamont.

The awards, which are hosted by PMR.africa, who are industry research specialists, aim to enhance and recognise excellence while setting bench marks in the different industries. Research is undertaken via a sample of industry retailers and construction company representatives into the performance of brick manufacturers and suppliers of formwork and scaffolding.

Factors that contributed to Ocon Brick’s successful nomination include:  
Ability in meeting orders, BEE, competitive pricing, customer service, flexibility and product quality.

Ocon Brick’s clay stock bricks are recognised for their consistency in longevity, strength, durability and quality.

Technicrete ISG and Rocla are other subsidiaries within ISG.
