

Hutchings Hydraulics' Showcasing at KITE 2017

KwaZulu Natal, July 2017

With over three decades' experience in the hydraulic and pneumatics industry and as a Sales Partner of SMC Pneumatics in South Africa, Hutchings Hydraulics (KZN) is proud to announce that they will be exhibiting at KITE 2017. Hutchings Hydraulics promises to dazzle visitors with state-of-the-art technology and special promotional offers.

SMC's leading distributor in KZN, Hutchings Hydraulics is showcasing at KZN's leading trade exhibition, KITE from 26 – 28 July 2017 at the Durban Exhibition Centre.

Renowned as a prominent pneumatics and hydraulics specialist company based in KZN, Hutchings strives to offer superior products and service to customers across various industries both on local and international shores. Hutchings Hydraulics will use KITE 2017 as a platform to demonstrate superior SMC Pneumatics products, introduce its team of specialists and best showcase the latest in automation innovation.

"Our stand at KITE 2017 promises to excite as we will be demonstrating state-of-the-art technology and visitors can also take us up on some great promotional offers!" says Paul Newman, Managing Director at Hutchings Hydraulics.

Hutchings Hydraulics Promotional Offers at KITE 2017:

- Book and pay for Book and pay any SMC Pneumatics Training Course via Hutchings Hydraulics before 31 August 2017 and receive 10% off!
 - Special promotional offers on SMC Pneumatics consignment stock will be available from KITE 2017 – 31 August 2017.
 - Special offers on limited quantities of SMC's VMG Blow Gun Kits will be available on the stand.
- Newman elaborates on the fit between Hutchings Hydraulics and SMC: "Our partnership with SMC will once again be cemented at the exhibition. Over time we have developed a sound business relationship with the team and we believe in the quality that their pneumatic components provide our customers."
