

**First ever Tshwane Tourism Showcase to take place next week.**

The Tshwane Tourism Association (TTA) is hosting its first Tourism Showcase 2018 at the CSIR International Convention Centre (CSIR ICC) on Tuesday 23 January 2018.

The Showcase is a table top exhibition of over 200 tourism products and services from the city of Tshwane and a morning symposium takes place alongside the exhibition.

The TTA Tourism Showcase 2018 provides a platform for anyone interested in accommodation, attractions, tour companies, transport service providers and the like to gain insight into what the capital city offers, to develop their knowledge of the city's tourism offering, and to form useful business networks and partnerships.

Attendance to the exhibition is free and is open to trade, media and other tourism related stakeholders but requires registration. For more information and to register to visit the Tshwane Tourism Showcase 2018 click here:
