

Grand opening of Engen MyCiti in Sandton

The people of Sandton are set to reap the yummy goodness of a 24-hour Woolworths Foodstop and a diverse range of convenience services at the brand-new Engen MyCiti Convenience Centre, which officially launched on 30 May 2019.

Engen MyCiti is located on the corner of South Road and Rivonia Road in Sandton. Customers can indulge their sweet cravings with freshly baked Krispy Kreme donuts as well as a bouquet of convenience offerings, including Woolies food, an Engen Quickshop, a trendy coffee shop and an upmarket bakery. ATM machines covering major banking brands are also available.

The Engen site, arguably the biggest fuel station in the area, is ideally located in the exclusive MyCiti complex. On completion, MyCiti is set to offer a wide variety of retail components, including six upmarket restaurants, doctor's rooms, a pharmacy, a liquor store, a full SPA and various fast food outlets.

The MyCiti complex is monitored 24/7 with security cameras and is equipped with ample parking.

The new Engen site also offers customer's quality fuels such as Engen Primax Unleaded and Engen Dynamic Diesel 50ppm.

The owner of Engen MyCiti, Danny Zhang is extremely excited to launch the site and to partner with Woolworths Foodstop.

"Our customers are really looking forward to this offering as it enables them access to Woolworths Foodstop at any time of the day or night," says Zhang, adding that the site is well positioned and serves both commuter traffic and local residents.

"The Engen brand has a substantial footprint and is well known amongst our customers who have come to associate themselves with Engen's brand promise of *With us you are Number One.*"

Says Engen's Head of Retail, Seelan Naidoo: "Engen is very excited to see our network flourishing. Convenience and customer service remain key determinants of success in our industry."

"We wish our new dealer Danny Zhang and his team every success."
